

Hydrogen and Fuel Cell Vehicle

WORKSHOP AGENDA

Friday, October 6th
Torrance Civic Center

8:00am **Registration and continental breakfast**

8:30am **Welcome and Introduction**

Chief Ken Carter, President, LA Area Fire Marshals Association
Kevin Nida, President, California State Firefighters Association

Opening Remarks

8:45am **Keynote**

Ruben Grijalva, Director, California Department of Forestry and Fire Prevention

9:15am **Introduction to Hydrogen and Fuel Cell Vehicles**

Learn about the hydrogen refueling stations and fleet programs in Southern California, and why this technology is important to our state.

9:45am **Break**

10:00am **Fuel Cell Vehicles in Your Community Panel Session**

A candid discussion about the fuel cell vehicles on the road in Southern California communities. What permitting officials, fleet managers, council members and county supervisors need to know about this new transportation technology.

11:00am **Hydrogen Station Safety and Permitting Panel Session**

A discussion with those who have already permitted a station and industry experts.

12:00pm **Lunch and Ride&Drive**

Enjoy lunch on the patio and take fuel cell vehicles for a test drive. Engineers and fuel experts are available for your questions and to let you look under the hoods.

1:15pm **Road Rally Starting Line**

Green flag ceremony as the fuel cell vehicle caravan departs for San Diego

1:30pm **Emergency Response Training for FCVs**

Learn about the properties of hydrogen fuel, the components of a fuel cell vehicle and the unique response steps to an FCV incident.
